Over 30 years he has founded and run five wellness centers, in Oslo and Stockholm, offering a wide range of cutting-edge approaches to human growth and wellbeing.

With High-Level Associates in Australia and USA

Vistra III

Testimonials

We've had several sessions together, and they are all professional and inspiring. Steinar sees my issues, and help me pinpoint where effort is best utilized. He is a highly capable coach holding space in a trustful, gentle and meaningful way.

Børge Oftedal Elite trainer and mentor Last year, Steinar and I completed a World Business Advanced Executive coaching program. As a result we continued the relationship studying and developing our skills together on a weekly basis for a year.

During this time I have personally benefited from Steinar's wisdom and skills as a coach. Through his coaching he gently but firmly guides to a deeper level appreciation and sustainable action.

Línda Whitman Globally experienced executive, certified development coach

I just had another coaching session with Steinar. The space he creates is welcoming, spontaneous and structured at the same time. It feels so easy to trust and even take the authentic-feeling kicks to develop further as a leader.

I have deep gratitude for this work, thank you!

"Professionally held"

AkerSolutions[®]

Strategy >>

Vistra delivers highly valuable processes, utilizing effective and inspirational approaches. Our work together over three years, a complex Vision & Strategy process for our global and multicultural leadership group, was professionally held for the bigger picture as well as all the important details.

Group feedback is unanimously positive. Our successful endeavour has been a major effort where you are key elements, and I thank you again for your contribution. It has certainly been a most rewarding collaboration.

~Torgeir Ramstad, CEO Aker MC

Steinar Almelid brings to the table a truly unique combination of experiences that will empower any solo-preneur or corporate leader.

With his impressive background in high level corporate and military leadership he infuses your project with Real World Confidence that is so important to succeed.

Steinar is much more than just a corporate advisor, with his long background in personal development processes – which i found invaluable.

Steinar not only helped me plan and strategize, he also adviced me how to master my own personal struggles and clarity finding.

He is an attentive listener, genuinely compassionate and involves himself in your project dedicating himself to get you across the finish line.
